

High Plains Junior Rodeo Association | Partnership Program **“Crowning Champions since 1974”**

Greetings:

Since 1974, the High Plains Junior Rodeo Association (HPJRA) has provided a foundation for 19 & Under youth who wish to participate in the sport of rodeo. We are indeed excited about the opportunities we have for you to join us to further advance the tradition and success of our future rodeo generations.

Mutual benefit is a common thread in our Partnership Program. Many great companies, such as yours, promote their products/services through financial contribution to the HPJRA. In turn, the HPJRA provides these great partners with multiple avenues of recognition for their generosity.

All proceeds will go towards the HPJRA year-end awards, weekend awards and operation costs. We are striving to improve our rodeo association each year and your contribution is essential to our success. We look forward to working with you during the upcoming rodeo season and providing our youth the enhanced opportunity to grow and mature in the western way of life.

Sincerely,

HPJRA Board of Directors
